

# SYMMETRY PRODUCT HIGHLIGHT

## Custom LU/LA Commercial Elevators

*Symmetry's LU/LA commercial elevators are tailor-made to match your customer's needs and preferences. Upon request, our commercial elevators can be custom-built with wood veneer or hardwood car panels. The elevator car panels may also be painted in almost any color imaginable and are available in stainless steel or covered with a variety of laminate applied panels.*

*The photos shown are meant as a starting point to give your customers a glimpse of the possibilities and to inspire their imaginations.*

**CUSTOM HARDWOOD LU/LA ELEVATOR CAR**  
*with applied molding and customer-specific wood-carved design.*

**CUSTOM LU/LA ELEVATOR CAR**  
*with laminate applied panel in Designer White over painted gray steel panels.*

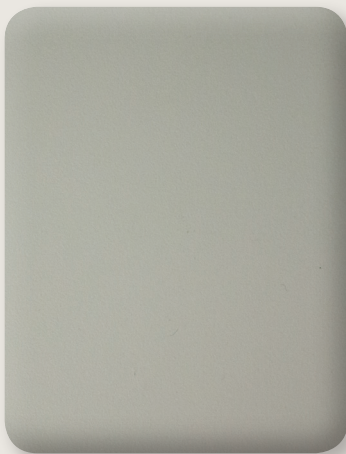

**LU/LA ELEVATOR CAR**
